

Flip Pro Plus - SC-USB-F4

The Flip Pro Plus is the newest product in the series of Flip Pro. A combination of our most sought-after chargers, designed to be used with either a 12V or 24V input and features 1x USB-A and 1x USB-C, to create a rapid universal ultra-fast charging solution.

The Flip Pro Plus is a redesign of our classic Flip Pro, to ensure your boat aesthetics stay aligned with our other designs in the Flip Pro range. When not in use, the spring-loaded caps remain tightly closed, protecting the ports from the elements.

- Featuring a super-compact footprint that matches the rest of our Flip Pro range and is constructed from premium, marine-grade materials.
- Flip Pro Plus has been rigorously tested and is IPX4 waterproof, making it completely washdown-ready.
- Flip Pro Plus is FAST! With a PD chip, this charger is truly universal, making it perfect for charging modern laptops via the USB-C port. It is also designed for charging large tablets, offering an effortless charge for both an iPad Pro & iPhone at the same time.

USB – C output:

- 60W max on 24V system
- 36W max on 12V system

USB - A output:

- 36W max
- The install cut-out matches those of standard USB sockets for easy fit or swap of an existing USB charger, allowing you to keep up with the heavier power draws of modern electronic devices.
