

Introducing

Flip Pro Multi.

Dual USB-C & 12V power socket.

SC-MULTI-F1

Combining features of our high power Flip Pro Max and 12V Power Sockets into a beautiful multi power solution.

When not in use, the spring-loaded caps remain tightly closed, protecting the ports from the elements.

Universal

- Universal fit for any USB-C connectors
- Fast charge (60W max) up to 2 devices at a time

Marine Ready

- IPX4 waterproof with the cover closed
- UV resistant
- 316 stainless hinge and spring

Electrical Information

- 120 -150W max power 12V system only
- Input voltage: 10-30V DC (12/24V System)
- Input current Max: 6A (10A fuse recommended)

Key Information

To maximize charge performance, use the cable supplied with your tablet, phone etc. (C to C, or C-lightning)

Phones charge at the same speed on either a 12 or 24V system, but a 24V system must be used to get the full 60W output suitable for laptops.
