

Flip Pro Multi.

Dual USB-C & 12V power socket.

Combining features of our high power Flip Pro Max and 12V Power Socket into a beautiful multi power solution.

When not in use, the spring-loaded cap remains tightly closed, protecting the ports from the elements. When charging, it quickly locks open to protect your cables when plugged in.

Featuring a super-compact footprint, Flip Pro Multi is constructed from premium, marine-grade materials and is IPX4 waterproof, making it completely washdown-ready.
